

I can't believe that you intended the Localism Initiative to be used as a way to blackmail and extort stations. Take a look at the following what's being done at the links below:

[http://mu.clarityconnect.net/~bhuston/wskg/plan\\_wskg.html](http://mu.clarityconnect.net/~bhuston/wskg/plan_wskg.html)

<http://www.cipbonline.org/chaptersNYbingham.htm>

I can also mail this data to you. It appears that terrorist tactics are being used for personal agendas while using your Localism Initiative as justification. Correct me if I'm wrong, but I don't think this is what you intended.
